My Toronto: A Maple Leafs Forward's Address Book

The team's second-highest scorer of the 2013 season, James van Riemsdyk (a.k.a. JVR) also appeared onscreen in This is 40. He tells us which bars, restaurants and shoe stores score for him.

01 Spice Route Asian Bistro + Bar

Because I was playing, I didn't get to go out and party much this past year, but I did get to Spice Route. I'm not too picky for drinks – I'll try anything – but I usually go for beer, like a Sapporo.

02 Blowfish

I'm a sushi lover. Blowfish is like a chill-out bubble, with mellow music. King Street West is a great strip to hang out on after dinner. J'adore les sushis. Blowfish est un établissement relax, sans musique criarde, et King Street West l'endroit idéal pour sortir après un repas.

03 Chipotle Mexican Grill

It's a chain, but right near the arena. I always get a burrito bowl with brown rice, chicken, mild salsa, let- tuce and guacamole.
